Recreational Use of Beach Complexes of the Highlands and Islands, The: A Note, by William Ritchie and Alexander S. Mather, **92**, 61.
Rhodesia, Population Problems and Development Strategy in, by George Kay, **92**, 148.
Ritchie, William, and Mather, Alexander S.: The Recreational Use of Beach Complexes of the Highlands and Islands A Note, **92**, 61.
Royal Scottish Geographical Society:
Annual Business Meeting, **92**, 206; **93**, 194.
Annual Report, **92**, 206; **93**, 194.
Books Received, **92**, 70-72; **93**, 62.
Donations, **92**, 207; **93**, 195.
Fellowship, **93**, 195.
Lceture Programmes, **92**, 63-64, 207; **93**, 14, 195.
Livingstone Medal, **92**, 64, 206.
Membership, **92**, 206; **93**, 194.
Mungo Park Medal, **92**, 64, 206.
Newbigin Prize, **92**, 160; **93**, 51.
Obituary—Dr. Douglas Guthrie, **92**, 207; Dr. W. A. Alexander, Mrs. W. Robertson, **93**, 195.
President, **92**, 74; **93**, 194.
Proceedings, **92**, 202; **93**, 194.
Scottish Universities Medals, **92**, 207; **93**, 194.

Scenery as a Natural Resource, Assessing, by Andrew W. Gilg, **92**, 41.
Scotland and Offshore Oil: The Developing Impact, by H. D. Smith, Alexander Hogg and A. MacGregor Hutcheson, **92**, 75.
Scotland, Assisted Labour Migration Flows and, by P. B. Beaumont, **92**, 161.
Scotland in October 1974: The Electoral Geography of an Election Campaign, by R. J. Johnstone, **93**, 98.
Scotland, Lateglacial Marine Erosion in Southeast, by J. B. Sissons, **92**, 17.
Scotland's Local Government Reform, Geographical Issues in: Efficiency with Humanity, by Rex Honey, **93**, 109.
Scottish Geographical Magazine, The: Its First Thirty Years, by T. W. Freeman, **92**, 92.
—In War and Peace from 1914, by T. W. Freeman, **92**, 138.
Selman, P. H.: Planning for Environmental Quality, **93**, 168.
Sissons, J. B.: Lateglacial Marine Erosion in Southeast Scotland, **92**, 17.
—A Remarkable Protalus Rampart Complex in Wester Ross, **92**, 182.
Smith, Adam, Land Use and: A Bicentennial Note, by Professor J. W. Watson, **92**, 129.
Smith, H. D., Hogg, Alexander and Hutcheson, A. MacGregor: Scotland and Offshore Oil: The Developing Impact, **92**, 75.
Smith, Ken: Water Resource Management in Scotland, **93**, 66.
Social Geography, Some Early Occurrences of the Term, by G. S. Dunbar, **93**, 15.
Soulsby, J. A.: Recent Geographical Literature Relating to Scotland, 1975, **92**, 191; 1976, **93**, 179.
Stocking, Michael, and Elwell, Henry: Vegetation and Erosion, A Review, **92**, 4.
Sweeney, J. C.: The Glasgow Rainstorm of 28th September 1976, **93**, 52.

Tazieff, Dr. Haroun: Award of Mungo Park Medal, **92**, 64, 206.
Terrain Evaluation: Testing a Technique in Lower Deeside, by Donald A. Davidson, **92**, 108.
Tricker, A. S., and Miller, K. M.: Three Consecutive Dry Years in Fife (1971-1973), **93**, 55.
Tuppen, J.: Redevelopment of the City Centre: The Case of Lyon—La Part Dieu, **93**, 151.

Upland Settlement in Southern Scotland, The Abandonment of, by Martin L. Parry, **92**, 50.
Urban Geography, Fieldwork in: Assessing Environmental Quality, by Paul L. Knox, **92**, 101.
Vegetation and Erosion, A Review, by Michael Stocking and Henry Elwell, **92** 4.

Water Resource Management in Scotland, by Ken Smith, **93**, 66.
Watson, Professor J. W.: Land Use and Adam Smith: A Bicentennial Note, **92**, 129.
—Honorary Degree from McMaster University, **93**, 108.
—Elected President, **93**, 194.

Weir, M. J. C., and Lewin, J.: Morphology and Recent History of the Lower Spey, **93**, 45.
Wester Ross, A Remarkable Protalus Rampart Complex in, by J. B. Sissons, **92**, 182.
Young, S. and Hood, N.: The Long-Term Impact of Multinational Enterprise on Industrial Geography: the Scottish Case **93**, 159.

REVIEWS OF BOOKS

Aerial Photography, Geographical Applications of, by C. P. Lo, **93**, 125.
Africa, by R. W. Steel and E. M. Steel, **92**, 136.
Africa, Advanced Geography of, ed. by J. I. Clarke, **92**, 65.
Agrarian Landscape Terms, by Ian H. Adams, **93**, 122.
Agricultural Mid-West, The, by R. Brown, H. Kelly, and I. Ready, **93**, 127.
Arctic Circle, The, by W. C. Wonders, **93**, 191.
Argyll: The Enduring Heartlands, by M. Campbell, **93**, 192.
Atlas of the World, The Times, **92**, 202.
Australia: The World's Landscapes, by R. L. Heathcote, **93**, 124.
Britain: A Geography of, by A. R. Tolson and M. E. Johnstone, **92**, 205.
Britain, Geography of 19th Century, by P. J. Perry, **92**, 199.
Britain, Industries in, by M. P. Devereux, **92**, 203.
Canada Before Confederation, by R. C. Harris and J. Warkentin, **92**, 65.
Canada, National Atlas of, 4th edn. revised, **92**, 68.
Clyde Studies: Resources for Scottish Geography, by J. Dalrymple et al, **93**, 126.
Denmark, Atlas of, ed. by Ruth H. Jensen and Kr. M. Jensen, **92**, 205.
Domesday England, by H. C. Darby, **93**, 188.
Educational Illustrations—Population and Agriculture in the EEC, by M. E. Witherick and D. A. Pinder, **92**, 135.
England, Northern, by C. A. M. King, **93**, 61.
Environmental Remote Sensing, Introduction to, by E. C. Barrett and L. F. Curtis, **93**, 125.
Environmental Quality, ed. by J. T. Coppock and C. B. Wilson, **92**, 68.
Europe from the Air, by E. J. Barker and L. H. Williams, **92**, 70.
Europe, Southern: the Mediterranean and Alpine Lands, by Monica and Robert Beckinsale, **92**, 200.
Europe, The Regional Problem in Western, by Hugh Clout, **93**, 123.
Europe, Western, by G. H. C. Waters and W. J. Hayes, **92**, 134.
Far East, Man and Land in the, by Pierre Gourou, **92**, 65.
Farming and the Countryside, by Stewar Dunlop and Donald MacDonald, **93** 128.
Farming, Problems in World, by Jill Wright, **92**, 134.
Fieldwork in Geography, by J. Haddon, **93**, 127.
Fife, The Geology of East, by I. H. Forsyth and J. I. Chisholm, **93**, 187.
Geographical Fieldwork, Elementary, by J. Hume Brown, **92**, 205.
Geographies, A Certificate Series: North America, by F. J. Monkhouse and H. R. Cain, **92**, 205.
Geographies, Sketch-Map: Economic Geography, by P. Speak and H. C. Carter, **92**, 205.
Geography, by W. G. Moore, **92**, 134.
Geography, An Introduction to Models in, by Roger Minshull, **92**, 68.
Geography and the Integrated Curriculum, by M. Williams (Ed.), **93**, 192.
Geography and Younger Children, by Eric J. Barker, **92**, 70.
Geography, Background to, by D. C. Money, **93**, 126.
Geography, Culture and Habitat: Selected Essays (1925-1975) of E. G. Bowen, by H. Carter and W. K. D. Davies, **93**, 190.
Geography Curriculum, Evaluating the, by W. E. Marsden, **93**, 193.
Geography, Living, Books 1-4, by R. D. Mackintosh, et al, **92**, 69.
Geography, Multiple-Choice and Structured Questions in, by W. E. Marsden, **93**, 127.
Geography, Objective Tests in, for O-level and CSE: The British Isles, by K. Briggs, **92**, 202.
